01 Executive Summary

India's workforce earns salaries — but a significant majority has never been taught how to budget one, manage EMIs, avoid digital financial fraud, or start investing. The RBI Financial Literacy Survey confirms that over 73% of Indian adults received zero structured financial education at any stage. These are your employees — carrying preventable financial stress into your workplace every single day.

The RupeeValcore Employee Financial Wellness Programme offers two engagement models: a certified Annual Programme (monthly 60-minute sessions, 12 months) for deep, sustained impact, and a standalone 3-Hour Financial Wellness Masterclass for organisations that want immediate, high-impact delivery with zero long-term commitment. Both are 100% activity-based, SEBI-compliant, and require minimal HR coordination.

NISM Series XII	SEBI-Compliant	IRDAI-Safe	Activity-Based	Minimal HR Coordination Required

"India's employees know their KPIs but not their credit scores. They hit targets at work but miss savings targets at home. RupeeValcore exists to close this gap — one workplace at a time."

— C. Manikandan, Lead Trainer & Programme Head, RupeeValcore

02 Workforce Financial Capability Gap

Financial stress is one of the most under-addressed productivity risks in Indian organisations. Employees across every level carry hidden financial anxiety that directly impacts focus, decision-making, and engagement. This is a structural education gap that forward-thinking employers can now systematically address.

The Workforce Challenge	Our Programme Module	Employee Outcome
Employees receive salary without ever being taught how to structure or budget it	Foundation module: Salary anatomy, 50/30/20 budgeting, expense tracking — live activity	Employee builds their first structured monthly budget during the session
Digital fraud victims are disproportionately working-age adults	Digital safety: UPI scam awareness, phishing recognition, OTP discipline — case studies	Employee confidently identifies and avoids digital financial fraud
EMIs and credit cards sold aggressively — financial distress grows	Credit & debt: EMI maths, credit score basics, debt traps — interactive exercise	Employee understands true cost of credit and avoids predatory lending cycles
Employees invest in high-risk instruments without foundational knowledge.	Investment awareness (SEBI-safe): Mutual funds, SIPs, risk profiles — no product pitch	Employee understands investment basics within SEBI compliance — zero product bias
Tax anxiety at ITR filing time — missed deductions, wrong forms	Tax literacy: Income tax slabs, Form 16, ITR basics, Section 80C — live walkthrough	Employee files ITR confidently — tax savings maximised legally

03 Programme Structure

Annual Programme — Three Curriculum Levels

Delivered as one 60-minute session per employee cohort per month, scheduled around your existing workplace calendar — lunch-hour slots, L&D; days, or dedicated wellness hours. No external venue required. Three curriculum levels ensure every employee receives content calibrated precisely to their financial life stage.

Level	Target Employees	Core Topics	Cadence
FOUNDATION Financial Basics	New Joiners (0-2 yrs) & Junior Staff	Salary anatomy · 50/30/20 budgeting · Expense tracking · Banking basics · Emergency fund · Digital payments & UPI safety · Scam avoidance · Financial goal-setting	60 min / month
INTERMEDIATE Practical Finance	Mid-Level Staff (3-8 yrs exp.)	Advanced budgeting · Credit score management · EMI strategy · Tax planning (80C, HRA) · SIPs & mutual funds (education-only) · Insurance needs analysis	60 min / month
ADVANCED Wealth & Security	Senior Staff, Managers & Leadership	Portfolio basics · NPS & EPF optimisation · Retirement planning · Real estate vs equity · Estate planning basics · Wealth protection — insurance structures	60 min / month

3-Hour Financial Wellness Masterclass — One-Time Option

"3 Hours. Practical Financial Clarity in One Session. Zero Sales Pitch."

A standalone, one-time, in-office 3-hour intensive for organisations that want immediate, high-impact financial wellness delivery without a long-term programme commitment. Ideal as an annual employee benefit, new-joiners' induction module, or a CSR wellness initiative. Delivered by a NISM XII Certified Trainer. 100% SEBI-compliant. Minimal HR coordination required.

Time Block	What Happens
0-15 min	Welcome & Financial Health Check — Anonymous self-assessment across 5 financial areas. Trainer tailors session focus to cohort. Self-assessment responses are anonymised and never linked to employee identity or shared individually with HR.
15-60 min	Hour 1: Money Fundamentals — Salary anatomy (CTC vs take-home) · 50/30/20 budgeting live activity · Emergency fund basics · UPI & digital fraud safety
60-120 min	Hour 2: Practical Finance — Credit score mechanics & improvement · EMI true-cost calculator · Income tax planning (80C, HRA) · SIPs & mutual funds (education-only)
120-170 min	Hour 3: Personal Financial Roadmap — Goal-based planning, retirement milestones, insurance basics. Each employee builds a 1-page personal financial action plan.
170-180 min	Q&A; + Commitments — Each participant commits to one financial action within 7 days. Participation certificates distributed.

04 Pricing — All Formats

All fees are exclusive of GST. GST applicable as per prevailing rates. Pricing benchmarked against Indian corporate specialist trainer market rates (₹3,000-₹5,000 per person per half-day). RupreeValcore delivers NISM XII Certified, SEBI-compliant delivery at significantly below-market per-employee cost.
